

Convince Me

Preston Pablo

You sold me lies and I bought 'em
I bought 'em
Baby, I bought 'em
How many more till you're honest
Be honest
Baby, be honest

Tell me why you spend your days
Tryna convince me, babe
Knowin' that I'd feel this way
I'm caught in what you're sayin'

Was I supposed to find out, baby?
What's your motive?
Still, I went and played your game
I was open

Blinded by my feelings in the moment (ooh oh)
Writing on the wall but I ignored it (woah oh)

You sold me lies and I bought 'em
I bought 'em
Baby, I bought 'em
How many more till you're honest
Be honest
Baby, be honest
Mmm, I bought 'em
I bought 'em
Baby, I bought 'em
Mmm, I bought 'em
I bought 'em
Baby, I bought 'em

Crossed your heart
But we still died (we still died, we still died)
Couldn't even make it till July (woah oh no)
Had plans
Now you gotta go and do 'em with your fake friends
Baby, you're the one that changed
I don't understand your ways
What's your motive? (baby, what's your motive?)
Still, I went and played your game
I was open

Blinded by my feelings in the moment
Writing on the wall but I ignored it (I ignored it, baby)
Tell me how you didn't even notice, oh woah
Felt it from the start but now I know it
Now I know it

You sold me lies and I bought 'em
I bought 'em
Baby, I bought 'em (ooh, I bought 'em, oh)
How many more till you're honest
Be honest
Baby, be honest (baby, be honest)
Mmm, I bought 'em

I bought 'em
Baby, I bought 'em (you know I did)
Mmm, I bought 'em
I bought 'em
Baby, I bought 'em (oh ooh oh)

You sold me lies and I bought 'em
I bought 'em
Baby, I bought 'em (oh, I did)
How many more till you're honest
Be honest
Baby, be honest
Mmm, I bought 'em
I bought 'em
Baby, I bought 'em
I bought 'em
I bought 'em
Baby, I bought 'em
