

Dance Alone

Preston Pablo

Tonight I wanna hold you close
I don't wanna let you go
Lovin' you is all I know
I know, I know

I'm saying that I forgot my silver jacket in your house
Don't you hang up the phone, I'm coming home
I'm laid back, but I'll take any excuses I can get
Just to be in your arms
Nothing's gonna hold me back in the cold
'Cause I'll be in the garden if you pickin' a rose
I wanna be the music you play alone
Can we dance all night, 'cause I won't let you go (Till go)
We go, dey, we go, dey on a race track
Yesterday and today, it's your face I'm waiting for
If you let me take you for a ride, you're mesmerized, boy

Tonight, I wanna hold you close
I wanna hold you close
I don't wanna let you go
Oh yeah
Lovin' you is all I know
And I don't wanna dance alone
I don't wanna dance
Let the music take control
And all of your problems go
If we never make it home
I don't wanna dance alone
Don't wanna dance alone
Don't wanna dance alone

I wanna hold hands
Why she telling everybody that she don't dance?
I'm a single step when you step away from me
I finding ya voice again and I say to me
I need somebody to groove with
But don't worry, but I take what you give
Tell me why we just can't do this, don't lemme guess alone, lemme parents out, oh
Gimme that sugar, gimme two creams and a yeah
I wanna show ya when I prove my limit, yeah
Let's move to da rhythm while da night's still young
I need it, I need it, I need it, I need it
I need you in my life, girl, oh, but

Tonight I wanna hold you close
I don't wanna let you go
Lovin' you is all I know
And I don't wanna dance alone
Let the music take control
And all of your problems go
If we never make it home
I don't wanna dance alone
Don't wanna dance alone
Don't wanna dance alone

Put your hands all on my body

Once we start it, we can't stop it
Put your hands all on my body
'Cause I don't wanna dance, I don't wanna dance
Don't wanna dance alone
Put your hands all on my body
Once we start it, we can't stop it
Put your hands all on my body
'Cause I don't wanna dance, I don't wanna dance
Don't wanna dance alone
