Da-da-da-da-da
Da-da-da-da-da

Uh, baby, why you playing games like that?
Why I always want what I can't have?
Lovesick, got it oh-so bad
One step forward, trippin' two steps back
Goin' 'round like a race track
Just ain't fair with a-, like that
Three words that you sent right back (Fucked up)
Kinda like it like that

Oh, baby, I'm goin' all in
Bettin' everything I have on you
Don't wanna mess around

Yeah, I'm playin' for keeps
Lock it up, baby, no key
Fallin' for you six feet deep
But for what? For what?
Yeah, I'm playin' for keeps
Taste like cookies and cream
Just want that Hailey JB
Is that too much? Too much? Too much?

Da-da-da-da-da
Da-da-da-da-da
Da-da-da-da-da
Yeah, I'm playin' for keeps (For keeps)

Romeo waiting at your window (Where you at?)
Tryna touchdown, baby, in your end zone (Yeah)
Hung up, now I'm hangin' with your dial tone (Sheesh)
Sayin' "What if we're in love, and you just don't know?" (Uh)
She love me, she love me not, yeah
Speed it up and then she stop (Uh)
Boom box, I be doin' the most
Press play, one song, then she ghost

Oh, baby, I'm goin' all in
Bettin' everything I have on you
Don't wanna mess around

Yeah, I'm playin' for keeps
Lock it up, baby, no key (No key)
Fallin' for you six feet deep
But for what? For what?
Yeah, I'm playin' for keeps
Taste like cookies and cream
Just want that Hailey JB
Is that too much? Too much? Too much?

Da-da-da-da-da
Da-da-da-da-da
Da-da-da-da-da (For what? For what?)
Yeah, I'm playin' for keeps

Da-da-da-da-da
Da-da-da-da-da
Da-da-da-da-da (For what? For what?)
Yeah, I'm playin' for keeps

She love me, she love me not, yeah

Boom box, I be doin' the most
Press play, one song, then she ghost
