

I don't wanna feel your body  
I just wanna let you go (Let you go...)  
Wishin' that you stayed with me  
But girl, you left me all alone (All alone...)  
You don't need to wait for me  
Cause girl, I'm already gone (Already gone...)  
Your love is all that I've ever known (Ever known...)

I don't wanna be there when your lonely  
I don't wanna hold you when you cry  
Everything you told me  
I know it's all lies  
Why don't you love me?

I don't wanna feel your body  
I just wanna let you go (Let you go...)  
Wishin' that you stayed with me  
But girl, you left me all alone (All alone...)  
You don't need to wait for me  
Cause girl, I'm already gone (Already gone...)  
Your love is all that I've ever known (Ever known...)

So (So)  
Let me go (Let me go)  
Again (Again...)
