## The Pretenders

What am I gonna to do today?

Walk to the newsstand, checkout the war zone  
Check the listings, see what's good on  
Oh, there's one I've been wanting to see  
Anyone here up for a movie? I am

Nobody tells me I can't  
Nobody tells me I shan't  
No one to say "You're doing it wrong"  
I'm at my best, I'm where I belong  
Alone  
Yeah, I like it

Now I'm out prowling the streets  
With the poets and the Greeks and the deadbeats  
I'm taking my time, sitting on park benches  
And all the glamour it all starts down here  
This is where the trends begin  
Life's a canvas and I'm on it

Nobody tells me I can't  
Nobody tells me I shan't  
No one to say "You're doing it wrong"  
I'm at my best, I'm where I belong  
Alone  
I like it, yeah  
I like being alone

And the other thing I like to do  
Go to the graveyard and hang out with you  
And have a smoke and practice my autograph  
Then sit back and re-read your epitaph and it says:  
"Don't you laugh as you walk by  
For as you are so once was I  
And as I am so you shall be  
Prepare for death and follow me"

Alone  
Yeah, I like that  
I like being alone  
Yeah, what are you going to about it?

Nobody tells me I can't  
Nobody tells me I shan't  
No one to say "You're doing it wrong"  
I'm at my best, I'm where I belong  
Alone  
Yeah, I like it  
I like being alone  
What are you going to do about it? Hmm?  
Absolutely fuck all  
Yeah, I'll do whatever you want
