

# I Hate Myself

The Pretenders

I hate myself, I hate myself, I hate myself  
For being jealous  
I hate myself, I hate myself, I hate myself  
For thing that you can't see

I hate myself, I hate myself, I hate myself  
For using other fellows  
To blindside you to get inside of me

Believe me I'm not saying that I'm proud  
To undermine and sabotage your scene  
I wouldn't want to say some things out loud  
But everybody does it and you know what I mean

I hate myself, I hate myself, I hate myself  
For backing the wrong horse  
I hate myself, I hate myself  
I hate my masquerade of black and blue

I hate myself, I hate my reckless  
And self-destruction course  
And coming last conceding second best to you

And if on judgement day I'm told to make my way  
To take a blasting residence downstairs  
I look to see your fathers, who backstab their own brothers  
Got a lighter sentence showing mercy and repentance

I hate myself, I hate myself, I hate myself  
I guess I'm just too smart  
I hate myself, I hate myself, I hate myself  
In body and in mind

I hate myself, I hate myself  
I hate these perversions of the heart  
I hate myself up front  
I hate myself from behind

So take my hand  
To the witness stand  
I deserve the worst  
My heart is gonna burst  
So validate me hate me where it hurts

I hate myself  
I hate myself  
I hate myself  
I hate myself  
I hate myself

I hate myself  
I hate myself  
I hate myself  
I hope that you do too

I hate myself  
I hate myself

I hate myself  
I hate myself  
But most of all I hate myself  
Hating you
