Hooligan

Pretty Maids

Hate infested deep inside
An inner rage that never dies
it is you against the world
It's the pain that whips your soul
Let's the agony unfold
Spawns the violent need to hurt
Somebody

Hooligan hooligan
Never show no mercy
Hooligan hooligan
Another deadly stab
Hooligan hooligan
Just another hatebreed
Hooligan hooligan
Now you hate em' back

Down right hostile to the core
Man lies bleeding on the floor
Another splash of flesh and bone
Still the dagger in your hand
Drives the wraith inside the man
I see hatred in those stone cold blood-shot eyes

Hooligan hooligan
Never show no mercy
Hooligan hooligan
Another deadly stab
Hooligan hooligan
Just another hatebreed
Hooligan hooligan
Now you hate em' back

You don't belong
You don't fit in
Devoid of emotions
Your world is numb
Forgotten son
Now your heart bleeds for no one
