

# Motherland

Pretty Maids

I'll stand my ground  
Protect you with all my life  
For all I'm allowed  
I'd pay the ultimate price

And with strength and honor  
Defend

I praise you  
I'll never ever betray you  
Pledge my allegiance to save you  
You are my soul you're my  
Motherland

I'd die a martyr  
I'm born in the land of the free  
In the name of my father  
I'd kill for the freedom of speech

And I, I'll bow to no one at all  
I'll fight till I fall

I praise you  
I'll never ever betray you  
Pledge my allegiance to save you  
You are my soul you're my  
Motherland

I've seen the tears of the world  
Oppression and pain as I'm watchin it burn  
I'm blessed and I kneel to the flag  
And return  
To you motherland

I praise you  
I'll never ever betray you  
Pledge my allegiance to save you  
You are my soul you're my  
Motherland
