

All In My Head

Pretty Sick

I used to hate this place
But now I miss it so much
I'm running out of space
My head spins when I think of us but

You can't keep me here
You can't keep me here
It's all in your head

You can't keep me here
You can't keep me here
'Cause it's all in your head

I'm not good at any of the things that you speak about
And I'm trying not to care
Make some bad decisions
Get yelled at for it
Go out and get some air

And I care

You can't keep me here
You can't keep me here
'Cause it's all in your head

You can't keep me here
You can't keep me here
'Cause it's all in your head
I said it's all in your head
It's all in your head

Don't worry how it looks boy
It's all in your head
Don't worry how it looks boy
It's all in your head
