

Bound

Pretty Sick

Ooh, I love it when you taste like me
You been down too long and you come up to breathe
Kiss me with my spell in your teeth
With my blood, I bound you to me, oh

Your soul, your sweat
My burden, I will regret
Your soul, your sweat
My burden, I will regret, oh

Oh, I love my little devotee
Come to my altar, you can kiss my feet
He loves the fruit of my big snake's tree
With my blood, I bound you to me, oh

Your soul, your sweat
My burden, I will regret
My blood on your last cigarette
Your sin, you will regret, oh

You've got me under your skin, I won't leave
Ooh, I want you, ooh, I want you close to me
You've got me under your skin, I won't leave
Ooh, I want you, ooh, I want you close to me
Ooh, I want you, ooh, I want you close to me
Ooh, I want you, ooh, I want you close to me
Ooh, I want you, ooh, I want you close to me
Bound so tight that you can't breathe, oh

Your soul, your sweat
My burden, I will regret
My blood in my silhouette
My burden, I will regret, oh

Oh no
Oh no
Oh no
