

**Leo**

**Pretty Sick**

Leo  
Can't you see my eyes are just for you?  
Leo  
Why'd you keep things from my point of view?

Stupid  
Useless  
Human  
You're perfect  
You're perfect  
You're perfect, Leo  
Stupid  
Useless  
Human  
You're perfect  
You're perfect  
You're perfect, Leo

Leo  
Can't you see I'm everything you need?  
Leo  
Got me begging on my hands and knees

Stupid  
Useless  
Human  
You're perfect  
You're perfect  
You're perfect, Leo  
Stupid  
Useless  
Human  
You're perfect  
You're perfect  
You're perfect, Leo
