PRETTYMUCH

Pretty, PRETTYMUCH
Heyo, yeah!

Kiss me in your jammies by the fireplace
I'll listen close to every single word you say
You tell me, "Baby, live like we could die today"
But damn it, you still love me like a tidal wave

It's you and I
Just you and I
I saw you and I knew I had to make it happen
Baby, it's just you and I
Yeah, you and I
I told myself I wouldn't fall in love again but here we are

Give me the pass, I'll give it back
All that I have, cut it in half
I'm keeping tabs, I'm keeping tabs
Girl, I got it bad, I got it bad

You
For you
For you, babe
For you (Babe, yeah)

How you look so wonderful, I'm wondering (I'm wondering)
Water don't run dry when I'm in wonderland
There ain't no other girl to fit your silhouette
I can't get enough
I love it, I love it, I love it

Just you and I
Just you and I
I saw you and I knew I had to make it happen
Baby, it's just you and I
Yeah, you and I
I told myself I wouldn't fall in love again but here we are

Give me the pass, I'll give it back
All that I have, cut it in half
I'm keeping tabs, I'm keeping tabs
Girl, I got it bad, I got it bad

You
For you
For you, babe
For you (Yeah-yeah)

I love it, I love it
Yeah, I love it
I love it, I love it, I love it, I love it
Yeah, I love it
Said I love it, I love it
Yeah, I love it
I love it, I love it
I love it, I love it, I love it, I love it

Give me the pass, I'll give it back
All that I have, cut it in half
I'm keeping tabs, I'm keeping tabs
Girl, I got it bad, I got it bad

You (I got it bad, I got it bad, baby)
For you (I got it bad, I got it bad, baby)
For you, babe (I got it bad, I got it bad, baby)
For you
You, you

I love it, I love it, I love it, I love it
