Corpus Christi

PRETTYMUCH

Lido on the beat, boy

I think she miss me
She going undercover just so she could kiss me (Yeah, uh)
I let the engine run, she built like my 6-speed (Zoom)
Her boyfriend doesn't know 'bout Corpus Christi
I swear your secret's safe with me, yeah (Hold up)

Do what you wanna do
If you get up on me, I won't stop you (No, no, no)
Say you working late, but we both know the truth (Know the truth)
I'm just the interlude

And she said, "Oh no, he just hit my phone"
I don't wanna start shit, just being honest
Woah-woah-woah, it's time to go home
'Til you make your next deposit, let's pause this

She ain't sorry to leave me on a high note
No strings, she walking on a tight rope
She suck all the life out of me, lipo

I think she miss me
She going undercover just so she could kiss me (Kiss me)
I let the engine run, she built like my 6-speed
Her boyfriend doesn't know 'bout Corpus Christi
I swear your secret's safe with me, yeah

Safe with me, with me, yeah-yeah (Safe with me, yeah)
Safe with me, with me, yeah-yeah (Safe with me, yeah)
Her boyfriend doesn't know 'bout Corpus Christi
I swear your secret's safe with me, yeah

And when I kiss her, I contradict her
'Cause we could paint a perfect picture (Picture)
Diving in (Yeah) headfirst
I wanna kick back (Kick back)
She said move to the room, let me hit that
Hellas boos, can't choose, give me all of that (Give me all of that)
Think we sick, little bit, but who caused that?

She ain't sorry to leave me on a high note
No strings, she walking on a tight rope
She suck all the life out of me, lipo

I think she miss me
She going undercover just so she could kiss me (Kiss me)
I let the engine run, she built like my 6-speed
Her boyfriend doesn't know 'bout Corpus Christi
I swear your secret's safe with me, yeah

Safe with me, with me, yeah-yeah (Safe with me, yeah)
Safe with me, with me, yeah-yeah (Safe with me, yeah)
Her boyfriend doesn't know 'bout Corpus Christi
I swear your secret's safe with me, yeah

Yeah, yeah
