

## EXCITED

PRETTYMUCH

I know you're excited  
Tell me where you wanna go  
Lemme know  
Then lemme guide it like a pilot  
When you pull me close can't let go

Ok, ok, Gassin' me up Propane  
I eat the pussy like Lo-Mein  
Netflix and Uh roleplay  
Ok olay servin' it up like Frijoles  
Shades on my face like I'm Cobain  
Hit from the back croquet

Uh, passin' the blunt, hot potato  
Blowin' smoke rich, no halos  
Coins, they be stacking like legos  
Private jets to Barbados  
Shortie thinks that I'm Bezos  
Money growin' on trees, no tomatoes  
Talk a lot, but we keepin' it case closed  
My brand new shoes, they don't make those  
Spinnin' the check like a kickflip  
Shawty hit me up and I came with a big tip  
Real shit, off chain with the nip slip  
Same ol' thing but the ass new addition  
Countin' it up to ten million  
We ain't some regular civilians  
Them niggas are snakes, reptilian  
They keepin' it short like the Minions

I know you're excited  
Tell me where you wanna go  
Lemme know  
Then lemme guide it like a pilot  
When you pull me close can't let go

Ok, hop in the jet private  
We burnin' trees, island  
Smellin' the air, exotic  
That's how you know I'm excited  
That's how you know that I'm wild'n  
Coppin' the bag, I ain't check what the price is  
That's when I knew you would slide with me  
Chauffeur the whip, now it's priceless  
We pull up with 99 bottles of beer on the wall  
We poppin em all  
Shot after shot and I dance with the bell of the ball  
'Till we can't recall  
Pull out the racks, I might end up spending em all (all)  
I get too attached, you leave, I go through withdrawals, damn

I know you're excited  
Tell me where you wanna go  
Lemme know  
Then lemme guide it like a pilot  
When you pull me close can't let go

OK!
