PRETTYMUCH

Love, love, love

It's a cold world, getting colder
So it hurts my heart to let you down, down
It was young love, but we're older
And we grew apart, look at us now, now

We don't have to fix it all to work it out
If you really love me then you'll let me set you free

Set you free
Just breathe
Let me set you free

Lookin' back, what we had just ain't what it was
Got too attached way too fast and it's all because
It wasn't easy, easy, for the both of us
You said you need me, need me, it's just comfortable

I get emotional, I wear my heart on my sleeve
It ain't disposable, you know, balenci ain't cheap
It isn't easy, easy, tryna say goodbye
But just believe me, leave me, you're gonna be alright

We don't have to fix it all to work it out (Work it out)
If you really love me then you'll let me set you free

Set you free
Just breathe
Let me set you free
(We don't have to fix it all to work it out)

Woah-oh-oh-oh
Woah-oh-oh-oh (I)
Woah-oh-oh-oh
Woah-oh-oh-oh

We don't have to fix it all to work it out
If you really love me then you'll let me set you free
(Woah-oh-oh-oh)
(Woah-oh-oh-oh)

Set you free, yeah
Just breathe (Just breathe)
Let me set you free
We don't have to fix it all to work it out
If you really love me then you'll let me set you free
