

HOW IT IS

PRETTYMUCH

Baby, I just got promoted
My bank fully loaded
I'm so fly I'm boasting
Obi Wan Kenobi, yeah
I don't gotta force it
I'm so high, I'm floatin', yeah
I'm fully devoted

How it is
I'm trynna get to the bag it's how it is
Is she trynna fuck up the plan it's how it is, how it is
That's why I paid it in cash, that's how it is, how it is
Told me she miss what we had, reminisce

So much money on my mind
Sippin' red wine
Still don't check the time
Feel like Sean Don in the Louis Vuitton
Fill my cup up with that Dom Pérignon
That's the type of shit I'm on
How you feeling dog? (Woof)
I just seen your girl top floor with the top off
You don't stand a chance hooking up with the bad broads (bad broads)
That's what we did at the promenade
I can't fuck wit y'all

Ooh baby (baby), I just got promoted
My bank fully loaded (okay)
I'm so fly I'm boasting (whew)
Obi Wan Kenobi, yeah
I don't gotta force it
I'm so high, I'm floatin', yeah
I'm fully devoted

How it is
I'm trynna get to the bag it's how it is
Is she trynna fuck up the plan it's how it is, how it is
That's why I paid it in cash, that's how it is, how it is
Told me she miss what we had, reminisce

Oh hello, I drink the Modelo
But buzz be yellow
Shit, I'm a dapper fellow
Came to the dizzle, the dragon ego
Young boys spittin' fire and gettin' higher
I be suckin' with the tire, just could retire
You know your new girl is a liar, we might unite her
Like one nighter, you best stand up
Go ahead and throw your hands up, eugh

Ooh baby (baby), I just got promoted
My bank fully loaded (okay)
I'm so fly I'm boasting (whew)
Obi Wan Kenobi, yeah
I don't gotta force it
I'm so high, I'm floatin', yeah
I'm fully devoted

How it is
I'm trynna get to the bag it's how it is
Is she trynna fuck up the plan it's how it is, how it is
