

# Jello

PRETTYMUCH

It's PRETTYMUCH

Aye, when you walked up to the table  
Made me feel so unstable  
Lookin' so fly like an angel  
Ah-ah-ah  
Aye, jeans so tight like a locket  
I can see the penny in your pocket  
And you don't even know you got it

Baby, you're the truth  
This one's for you  
To celebrate your body (Body, body)  
Said you got champagne in your room  
For me and you  
Yeah, you're the after-party (Party, party)

Girl you can call the shots like Jello (Jello)  
Got me weak in the knees like Jello (Jello)  
And the way we jell together, make 'em Jello  
Everybody want a taste of what you got  
Nah, go get your own (Yo)  
Nah, ooh-ooh-ooh (Hey)  
Nah, ooh-ooh-ooh (Oh)  
Nah, ooh-ooh-ooh  
S-s-sweet like jello  
Nah, ooh-ooh-ooh (Hey)  
Nah, ooh-ooh-ooh (Oh)  
Nah, ooh-ooh-ooh  
S-s-sweet like jello, jello

Wait, woah, ain't got no Ferrari  
But I got the spice like Bali  
Promise you won't be sorry  
Ah-ah-ah  
Yeah, girl, you got that sauce that A1  
You got that kick like Cajun  
I don't even know where you came from

Baby, you're the truth  
This one's for you  
To celebrate your body (Body, body)  
Said you got champagne in your room  
For me and you  
Yeah, you're the after-party (Party, party)

Yeah  
Girl, you can call the shots like Jello (yeah-yeah-yeahJello)  
You got me weak in the knees like Jello (Shout, shout, shout)  
And the way we jell together make 'em Jello  
Everybody want a taste of what you got  
Nah, go get your own (Yo)  
Nah, ooh-ooh-ooh (Hey)  
Nah, ooh-ooh-ooh (Oh)  
Nah, ooh-ooh-ooh  
S-s-sweet like jello  
Nah, ooh-ooh-ooh (Hey)

Nah, ooh-ooh-ooh (Oh)  
Nah, ooh-ooh-ooh  
S-s-sweet like jello, jello

No, I can't take my eyes off of you  
Girl, the way you move, yeah (Way you move, way you move)  
Every color, every flavor, day and night  
I'ma savor you

Keep down, and swallow the show  
Here we go  
Wiggle, wiggle, wiggle, wiggle  
Lemme see you, lemme see you jiggle, jiggle, jiggle  
Jiggle, jiggle, wiggle, wiggle, wiggle, wiggle, wiggle  
Lemme see you  
Lemme see you just  
Lemme see you just  
Wiggle, wiggle, wiggle, wiggle  
Lemme see you, lemme see you jiggle, jiggle, jiggle  
Jiggle, jiggle, wiggle, wiggle, wiggle, wiggle, wiggle  
Lemme see you, lemme see (Stop)

Baby, you're the truth  
This one's for you  
To celebrate your body (Body, body)  
Said you got champagne in your room  
For me and you  
Yeah, you're the after-party (Party)
