PRETTYMUCH

(Lonely)

Oh, I can't eat, can't sleep, f\*ck me, I'm super lonely  
If I had my way, I'd make you stay, tattoo you on me  
I, I need you (I need you)  
Oh, I can't eat, can't sleep, f\*ck me, I'm super lonely  
(Lonely)

I'm so lonely  
I need you around, need you to hold me  
Thinking 'bout you's killing me so slowly  
They say that I'll be fine in the morning  
Ooh, if you call me I'll be in my ride and I'll be right outside  
I can be by your side before you blink your eyes  
I'm so lonely (I'm so lonely)  
I need you around, need you to hold me

'Cause when I'm not with you, yeah, I feel stressed  
Aching, feel the pressure in my chest

I can't keep a secret, I confess  
Without my baby I'm a mess

Oh, I can't eat, can't sleep, f\*ck me, I'm super lonely  
If I had my way, I'd make you stay, tattoo you on me  
I, I need you (I need you)  
Oh, I can't eat, can't sleep, f\*ck me, I'm super lonely

'Cause when I'm not with you, yeah, I feel stressed  
Aching, feel the pressure in my chest  
I can't keep a secret, I confess  
Without my baby I'm a mess

Oh, I can't eat, can't sleep, f\*ck me, I'm super lonely  
If I had my way, I'd make you stay, tattoo you on me  
I, I need you (I need you)  
Oh, I can't eat, can't sleep, f\*ck me, I'm super lonely
