Lying

PRETTYMUCH

Sorry to call you so unexpected (It's PRETTYMUCH)
Thought you'd be sleeping, I was gonna leave a message
In case you're wondering, I'm counting blessings
Just bought this California king, and it's expensive

Haven't picked a side yet, hardly sleep
I been going out (Oh yeah, oh yeah)
You did me a favor honestly
I'm so much better now (Oh yeah, oh yeah)

But I'm lying when I talk to you
'Cause you're lying under someone new
And I'm dying, wanna tell the truth
I'm not oh, I'm not oh, I'm not over you
But I'm lying, when I talk to you
'Cause you're lying under someone new
And I'm dying, wanna tell the truth
I'm not oh, I'm not oh, I'm not over you, yeah

It hits me right in the chest
But I still wish you the best
Until I see you again

I see them pictures (I see them pic) from your vacation (From your vacation)
You look so happy holding hands congratulations (Congratulate)
And if it sound like (And if it sound like) my voice is shaking (My voice is shaking)
It's 'cause I'm way up in the hills, my signal's breaking

Haven't picked a side yet, hardly sleep
I've been going out (I'm going out)
You did me a favor honestly
I'm so much better now (Oh yeah, oh yeah)

But I'm lying, when I talk to you
'Cause you're lying under someone new
And I'm dying, wanna tell the truth
I'm not oh, I'm not oh, I'm not over you
But I'm lying, when I talk to you
'Cause you're lying under someone new
And I'm dying, wanna tell the truth
I'm not oh, I'm not oh, I'm not over you, yeah

Lies, games, questions, names, that's the reason we're facing these things
Hole in my heart now my shirt got a stain, I guess that's what I get for mis treating my main
Wasn't using my brain, gotta do better
Yeah, I know messed up, shoulda knew better
Man, I guess I'm just stuck in my ways
I'm just having, I'm focused on new cheddar
I'm just tryna get the bag now
I done fell in love with cash now
All my feelings in the past and I had to dash, you was left in last round
You was really 'posed to ride with me
Keep it a hundred, don't lie to me
I understand that the truth hurt bad but it's too late to cry to me, yeah ye ah yeah

But I'm lying when I talk to you
'Cause you're lying under someone new
And I'm dying wanna tell the truth
I'm not oh, I'm not oh, I'm not over you

It hits me right in the chest
But I still wish you the best
Until I see you again (See you again)

It hits me right in the chest
But I still wish you the best
Don't read my last couple texts

It hits me right in the chest
But I still wish you the best
Until I see you again (See you again)

It hits me right in the chest
But I still wish you the best
Don't read my last couple texts

But I'm lying, when I talk to you
'Cause you're lying under someone new
And I'm dying, wanna tell the truth
I'm not oh, I'm not oh, I'm not over you
