

No More

PRETTYMUCH

(You know what it is when you hear that haaa)

Señorita I ain't tryna play
I been thinking you should get a taste
You gon wanna put me on the case
Right away, right away, aye
They all tryna keep you on the block
Imma take you Italy, no stops
You gon' wanna kick it at the spot
Right away, right away, aye

Aye-aye-aye, meet me on the roof
Aye-aye-aye, I'm feeling the views
Aye-aye-aye, no, don't be confused
Girl you ain't gon' be wasting time

Tell me what you want cause I just can't wait no more
Tell me where you are cause I just can't wait no more
I wanna be the one but I just don't know if I can wait no more
No more, no more, no more, no more
Tell me what you want cause I just can't wait no more
Tell me where you are cause I just can't wait no more
I wanna be the one but I just don't know if I can wait no more
No more, no more, no more, no more

Señorita, where you wanna go (where you wanna go?)
I can show you things you never know
Podemos escapar nosotros dos
Right away, right away, aye, aye-aye-aye
And I just wanna kiss you on the beach
I can make you elevate your dream
All he do is catch it and release
What you say? What you say?

Aye-aye-aye, meet me on the roof
Aye-aye-aye, I'm feeling the views
Aye-aye-aye, no, don't be confused
Girl you ain't gon' be wasting time

Tell me what you want cause I just can't wait no more
Tell me where you are cause I just can't wait no more
I wanna be the one but I just don't know if I can wait no more
No more, no more, no more, no more
Tell me what you want cause I just can't wait no more
Tell me where you are cause I just can't wait no more
I wanna be the one but I just don't know if I can wait no more
No more, no more, no more, no more

I can't wait, wait, I can't wait, wait, I can't wait no more
I can't wait, wait, I can't wait, wait, I can't wait no more
(You know what it is when you hear that haaa)

I told her baby come and snatch me from the block (right away)
When you think about tomorrow, want it now (right away)
Hello, hello mamacita, the weekdays and the weekend
Same bars with the Weeknd, they call me Montana
Fell in love right away, French know the repertoire

Bonjour, oh my god, pulled up in, au revoir
She's, feeling the view
Feet, up in the coupé
Like a film though
We kicked it at Melrose
I can't wait no more, baby

I can't wait no more, baby...

Tell me what you want cause I just can't wait no more
Tell me where you are cause I just can't wait no more
I wanna be the one but I just don't know if I can wait no more
No more, no more, no more, no more
Tell me what you want cause I just can't wait no more
Tell me where you are cause I just can't wait no more
I wanna be the one but I just don't know if I can wait no more
No more, no more, no more, no more
