

# One Shot

PRETTYMUCH

Think I got the blues from you but I don't know  
I just can't see why you keep holding on  
Every time you call me, girl, there's something wrong  
Yeah, I got the blues from you, I gotta know

I bet my shirt feels good up on your skin  
I bet you love to feel like givin' in  
I bet you told 'em we were nothing  
I bet you told 'em we were nothing (Girl)

Just give me one shot  
With all my speed, I'll give you one heart  
So bet on me, I'll play my cards right  
No more dreamin'  
Give me one shot, oh-oh  
Just give me one shot  
With all my speed, I'll give you one heart  
So bet on me, I'll play my cards right  
No more dreamin'  
Give me one shot, oh-oh

You took my shirt and showed up at his door  
And then you left it on his bedroom floor  
I think he knew about me all along (All along)  
Plus, your perfume matches my cologne

I bet it hits you when you breathe it in  
I bet he wonders where the hell you've been  
I bet you told 'em we were nothin'  
So why'd you tell me we were something?

Just give me one shot  
With all my speed, I'll give you one heart  
So bet on me, I'll play my cards right (Cards right)  
No more dreamin'  
Give me one shot (One shot), oh-oh  
Just give me one shot  
With all my speed, I'll give you one heart (Girl)  
So bet on me, I'll play my cards right (My cards right)  
No more dreamin'  
Give me one shot, oh-oh

D'you love  
D'you love  
D'you love (D'you love, oh), me?  
When you say you love me like that  
You ain't gotta hold back  
It'll just take a second  
To believe in us, to believe in love

Just give me one shot  
With all my speed, I'll give you one heart  
So bet on me, I'll play my cards right (Girl)  
No more dreamin'  
Give me one shot

Just give me one shot

Just bet on me  
Just give me one shot  
Just bet on me  
Just give me one shot  
Just bet on me  
Just give me one shot  
Oh, no  
One shot  
One shot
