

# Open Arms

PRETTYMUCH

Yo, it's PRETTYMUCH

I see you've been trying to make  
Something out of nothing  
But baby I'm starting to face  
The fact that you're out on the run (oh woah)

Now you got me cuffed  
And you ain't even on me  
Caught me slippin' up  
And now I need you on me  
I just wanna touch  
But I keep being turned away (woah)

Girl you could tear me apart  
But I can't help it, I'm waitin'  
Here with open arms (oh)  
When you're ready, you know where to find me  
Got that key to your heart  
Scrape my knees on the pavement  
Here with open arms  
So when you're ready you know where to find me

So I've been waiting by my phone (brrp)  
For that ringtone  
But you just don't know what to say  
No, it's not like I'm asking for much (woah, woah)

Now you got me cuffed (cuffed, cuffed)  
And you ain't even on me  
Caught me slipping up (up, up)  
And now I need you on me  
I just wanna touch  
But I keep being turned away (yeah, yeah, yeah)

Girl, you could tear me apart  
But I can't help it, I'm waitin'  
Here with open arms (oh)  
So when you're ready, you know where to find me  
Got that key to your heart  
Scrape my knees on the pavement  
Here with open arms  
So when you're ready you know where to find me

When you're ready, ready, ready  
When you're ready, ready, ready  
When you're ready, ready, ready  
(You know where to find me)  
When you're ready, ready, ready  
(You know where to find me)  
When you're ready, ready, ready  
When you're ready, ready, ready

(I'll be waiting by my phone)  
When you're ready, ready, ready  
(Waiting for your call)  
When you're ready, ready, ready

(Waiting for you to come, my baby, oh)  
When you're ready, ready, ready  
(Baby let me know)  
When you're ready...

Girl, you could tear me apart  
But I can't help it, I'm waitin'  
Here with open arms (oh)  
So when you're ready, you know where to find me  
Got that key to your heart  
Scrape my knees on the pavement  
Here with open arms  
So when you're ready you know where to find me

You know where to find me
