

Solita

PRETTYMUCH

Ooh, I got the keys, baby
Ride with me baby (It's PRETTYMUCH)
The bigger they be baby (yuh, yuh, yuh)
They ain't richer than me baby

Hola, mami (hola)
You got me losing focus (yeah!)
Got what you need
And you don't even know it
Lost and solita (yeah, yeah, yeah)
Lost and solita (hola)

Girl I know why you came out tonight
So shake it off
Whatever's been sitting on your mind
I'll take it off
We can dance the night away (yeah)
Falling for you like the rain
Don't you worry 'bout a thing
Don't you worry 'bout a thing

Where you at, where you at
Girl it's all on you
Take my hand, take my hand
Put a smile on you
I know that you wanna dance
I know that you scared of love
But if you give me the chance
You know that I'll be the one

Hola, mami (hola)
You got me losing focus
Got what you need (you need)
And you don't even know it
Lost and solita
I found you
Lost and solita (solita)

I swear I ain't tryna rush you girl
I'll wait for that
The moment I get to touch you girl
I'll pray for that
Like ooh
Nobody up in here is looking as good as you do (as good as you do)
I promise you mami, it's true

Where you at, where you at
Girl it's all on you
Take my hand, take my hand
Put a smile on you
I know that you wanna dance
I know that you scared of love
But if you give me a chance
You know that I'll be the one

Hola, mami (yeah)
You got me losing focus

Got what you need
And you don't even know it
Lost and solita (yeah, yeah)
I found you
Lost and solita (solita)

She gon' drink with me on an island
Pull out the 'rari I'm wildin'
She's so bad, she gon' shine like a diamond
I got money, throw it up, change the climate
And that ass too tight get behind it
And the pussy too good, I don't want it
Watch me unlock like shots
Need to put her on a yacht for the blocks (freeze)

Hola, mami (mami, yeah)
You got me losing focus (losing)
Got what you need
And you don't even know it
Lost and solita
I found you
Lost and solita (I found you, yeah)
Hola, mami
You think I didn't notice
You got dressed up
And you deserve to show it
Lost and solita
I found you
Lost and solita
