

Sorry

PRETTYMUCH

Feels like we've had enough
But not enough to leave behind
Shoulders be tatted up
We'll keep on coming for the right time
Can't find the 'u' in 'us'
Because I lose it every time
Magic will turn to dust
If we don't ever find the right time

Baby you right and I know it
Let me step back for a moment
Hold me and all of my broken
Don't let me go 'cause I'm falling
Baby I'm trying to prove it
Can't say these words if it's useless
I know you're searching for something new
But baby I'm still in love with you
I'm tryna tell you I'm sorry
I'm tryna tell you I'm sorry

I know you're overwhelmed
Because my heart still needs a home
Can't stay at the motel, no
If I'm sleeping on my own
Baby I'm trying, to be the fix you wanna find
Baby I'm trying to be what you need, oh woah

Baby you right and I know it
Let me step back for a moment
Hold me and all of my broken
Don't let me go 'cause I'm falling
Baby I'm trying to prove it
Can't say these words if it's useless
I know you're searching for something new
But baby I'm still in love with you
I'm tryna tell you I'm sorry
I'm tryna tell you I'm sorry
I'm tryna tell you I'm sorry
I'm sorry

No oh
Love when we talk, but I hate when we fight
Hold me accountable, I'll hold you tight
People say what they see all the time
But we know our worth more than what meets the eye
Love when we talk, but I hate when we fight
Hold me accountable, I'll hold you tight
People say what they see all the time

Baby you right and I know it
Let me step back for a moment
Hold me and all of my broken
Don't let me go 'cause I'm falling
Baby I'm trying to prove it
Can't say these words if it's useless
I know you're searching for something new
But baby I'm still in love with you

I'm tryna tell you I'm sorry
I'm tryna tell you I'm sorry
I'm tryna tell you I'm sorry
