Stars

PRETTYMUCH

Woo!

The stars above match your eyes (Oh)
I wish you could see them (Oh)
Every night, can't decide (Oh)
But you're beautiful (Oh)
Baby, tell me what you're looking for (Oh)
I'll be waitin' for you at the door (Oh)
Baby, tell me what you're looking for (Oh)
You're beautiful (Oh)

Oh, you the baddest thing that I ever did see
It's true, feel like I'm alone in a galaxy with you
Girl, you outta this world but you never believe it
Ooh, baby, get on my nerves, ooh

Oh baby, don't know what I know, like Wanda and Cosmo
And you're feeling so-so, baby girl, let's talk about it
What you afraid for? You should be grateful
Girl, you're an angel from every angle

The stars above match your eyes (Oh)
I wish you could see them (Oh)
Every night, can't decide (Oh)
But you're beautiful (Oh)
Baby, tell me what you're looking for (Oh)
I'll be waitin' for you at the door (Oh)
Baby, tell me what you're looking for (Oh)
You're beautiful

All the screen times entertainin'
But your feelings always get in the way
So complex like constellations
But you're the only one that I wanna change

Don't know what I know, like Wanda and Cosmo
You're feeling so-so, baby girl, let's talk about it
What you afraid for? You should be grateful
Girl, you're an angel from every angle

The stars above match your eyes (Oh)
I wish you could see them (Oh)
Every night, can't decide (Oh)
But you're beautiful (Oh)
Baby, tell me what you're looking for (Oh)
I'll be waitin' for you at the door (Oh)
Baby, tell me what you're looking for (Oh)
You're beautiful
