

# Summer On You

PRETTYMUCH

Baby, I ain't got no money  
All I got is time  
And I'm gon spend that time on you  
But when they pay me in  
I can buy the sunshine  
Take you away, we'll drink champagne  
While holed up in a room

Darling I've been working all week  
I got so much on my plate  
Always saying poor me  
Although my boss is an a-hole  
That's when you call me  
Said you've been making a plan  
To hit the road with me  
I'll pick you up after and

We'll hit the coast on the late night  
Make love 'til daylight  
I love it when you play with my hair  
You know it feels so nice  
And I'll do what you like  
Naked in the moonlight  
We don't care if we are broke  
When love is all we own, I'm singing

Baby, I ain't got no money  
All I got is time  
And I'm gon spend that time on you  
But when they pay me in  
I can buy the sunshine  
Take you away, we'll drink champagne  
While holed up in a room  
And I'll spend my summer on you...  
Oh, I will spend my summer on you...

I'm singing hey babe  
Two jobs on minimum wage  
Although the rent's late  
Still got a smile on my face  
We ain't got the sunshine  
But we got hearts in our chest  
To feel the love like this  
Stronger than anyone else

We'll hit the drive-thru like Little Wayne  
We ain't got no platinum chains  
But hand-me-downs are all the rage  
So let me spend this pocket change  
We'll drink beer like it's champagne  
And stay out kissin' in the rain  
We don't care if we are broke  
When love is all we own, I'm singing

Baby, I ain't got no money (I ain't got no money)  
All I got is time  
And I'm gon spend that time on you

But when they pay me in  
I can buy the sunshine  
Take you away, we'll drink champagne  
While holed up in a room  
And I'll spend my summer on you...  
Oh, I will spend my summer on you...

Oh, I know baby, we ain't got no money  
All we got is love  
But I know that can see us through  
It might sound crazy  
But why do we need sunshine  
When we can stay and sip warm beer  
While holed up in a room  
That's how we spend our summer like (my summer on you baby)

Baby, I ain't got no money (I ain't got no money)  
All I got is time  
And I'm gon spend that time on you  
But when they pay me in  
I can buy the sunshine  
Take you away, we'll drink champagne  
While holed up in a room  
And I'll spend my summer on you...  
Oh, I will spend my summer on you...  
Oh, I will spend my summer on you
