

Shine On

Pride & Glory

Take, take a little time
Son you can run
But there ain't nowhere you gonna hide, babe
Now you done takin'
Lord, all I done had
Paybacks be a comin'
So ya best start sayin' your prayers, Lord

Shine on
I'm gonna' find my way on back to you
Babe, shine on
So I can shine, oh yeah
Lord, my lovin' light on you
Yeah, on you Mama

Listen now, ain't never goin' back
She the better set of hands is where she's at, don't say
Don't go thinkin' you ain't done nothin' wrong
I'm the judge, I'm the jury...
I'm gonna put your ass where you belong, yeah

Shine on
I can find my way, on back to you
Come on, oh, shine on
I can shine, oh yeah
Oh, my lovin' light on you
Oh babe, alright Mama

Oh yeah, shine on
I can find my way, on back to you
Shine, yeah, on
I can shine, oh baby
Oh Mama, I can shine, yeah, oh my light
Shine, shine, shine
My lovin' light on you, on you Mama
