

Unbreakable

Pride of Lions

Put the knife in your teeth as you climb the mast,
take your life by the reins and hold on.
When you must take a stand let the shields clash,
fight righteous and brave when it's time to be strong

When you think you've got the whole world in your hands
Never doubt that life can shatter all your plans

I am, I am
I am unbreakable, I am
I am, I am
My faith's unshakeable, I am
Our tears, our fears
are inescapable, I am
I am, I am
I am unbreakable

Now there are dreams in our hearts that are dear to us,
some are gone in the blink of an eye
But we dare to dream on cause we know we must
The hope that we hold is what keeps us alive

When you're standing at the edge of live or die
just repeat the words that thunder through the sky

I am, I am
I am unbreakable, I am
I am, I am
My faith's unshakeable, I am
Our tears, our fears
are inescapable, I am
I am, I am
I am unbreakable

Take the long walk to the top of the mountain
look to the city bellow.
See just how small all our problems appear
Just how foolish, how little we know.

And when you think you've hit the wall
go a little bit farther
When you're about to lose it all
dream a little bit higher
And when you feel you've gone too far
go a little bit farther
When you're about to lose it all
hold on, hold on, hold on...

I am, I am
I am unbreakable, I am
I am, I am
My faith's unshakeable, I am
Our tears, our fears
are inescapable, I am
I am, I am
I am unbreakable

(I am unbreakable, I am)
(I am)
(My faith's unshakeable, I am)
Our tears, our fears
are inescapable, I am
I am, I am
I am unbreakable
