

## Safer Here

Pridelands

If I admit that I'm scared  
Will they have mercy on me?  
Or will they revoke my eyes?  
Was I a fool to believe?  
If I admit that I'm scared  
Will they have mercy on me?  
Or will they revoke my eyes?  
Was I a fool to believe?

Now the beasts reside within us here  
Please stay inside, it's safer here  
Wait for me before you go  
Oh, curious child, you'll never know

If I admit that I'm scared  
Will they have mercy on me?

The beasts reside within our fear  
Please stay a while, it's safer here  
Wait for me before you go  
Wait for me  
Won't you wait for me?
