Done some things I'm not
Done some things I'm not
Done some things I'm not qualified to
Not sure not sure not sure I should be talking to you
Got no papers
Got no papers
Got no papers just flimsy ID
Not sure not sure not sure that picture is me
You put your fingers in other people's mouthes all day
Don't you, doctor?
You put your fingers in other people's mouthes all day
Sick with the touch that bites itself to keep it rough
That cough you've got has a syrup, so
Swallow it up
Swallow it up
Swallow it up
Swallow it
You put your fingers in other people's mouthes all day
Don't you, doctor?
You put your fingers in other people's mouthes all day
I'm thinking of problems I can have that no one will pathologize or legalize or compromise or sanctify or mythologize, pathologize
You put your fingers in other people's mouthes all day
Don't you, doctor? Don't you don't you don't you doctor
