Everything everything
So right wing
Everything everything
So right wing
Purse searches, pep rallies
Purse searches, SUVs
Pep rallies
I'm not trying to be
Birthday cards, he and she
I'm not trying to be
Textbook history
I'm not trying to be
Worship me
Anything
I'm not trying to be
Sleep well chemically
I'm not trying to be
Air conditioning
I'm not trying to be
Inflict me
Anything
Everything everything
So right wing
Everything everything
So right wing
Worship me
Politely
Worship me, worship me
Politely
I'm not trying to be
Virus transmitting
I'm not trying to be
Everything out of me
I'm not trying to be
Talk to me
Anything
I'm not trying to be
Virus transmitting
I'm not trying to be
Everything out of me
I'm not trying to be
No more arm wrestling your way inside of me
Anything
I'm not trying to be anything so right wing
