Yo, yo!  
This is not a test  
This is Nellie, this is Jess, yes!  
Got these boys staring at these lips, at these breasts, yes!  
Adidas on my feet, call those Ultra, walking through Ultra  
Taking pictures with these fans that want to meet  
Say "Queso!"  
And we ain't got no makeup on, we just got out of bed (Hi!)  
And we not making breakup songs, we breaking necks and heads!  
Prima's here to do it bigger than booties on some hippos  
Left, right, left right, that's how my hips go!

(Ladies!)  
Move your legs (Hi!)  
Move your legs  
Don't care if they thick or thin  
Just go 'head, move your legs!  
(Ladies!)  
Shake your butt (Hi!)  
Shake your butt  
Don't care it it's fat or flat  
Just go 'head, shake your butt!

They look at us, they seeing double!  
Yeah, we try to stay humble  
But if y'all ain't dancing when you do shows  
(Whoops!) Y'all in trouble  
'Cause we got that supercalifragi-lipstick matching on our toeses  
And we don't need your money, boys, we'd rather have some roses! (Uh-huh)  
Every time that Nellie does it, she gettin' looks from all the guys  
Sorry if they keep on looking-no need to apologize!
