Primal Scream

There's a cold, empty look in our eyes
Something's dying, dying in us
Turned away in our beds, on our sides
There's no hiding, hiding for us
We've lit all the candles, said all the prayers
The anti-depressants don't anti-depress

So high, we can't get over it
So wide, we can't get around it

100% or nothing
It can't be true
I don't want you
100% or nothing is what you get
What did you expect?

There's a silence so loud all the time
And it's screaming, screaming at us
And emotional violence of signs
And it's poison, it's poisoning us
The bank account's empty, the river's run dry
There's anger, resentment, disease in our minds

So high, we can't get over it
So wide, we can't get around it

100% or nothing
