Primal Scream

Dreaming, dreaming
Seeing, seeing

Dreaming, dreaming
Seeing, seeing

Dreaming, I'm still dreaming
Dreaming my life 'til the day that I die
Dreaming my life 'til the day that I die

Seeing, always seeing
Color so beautiful, softer than sin
Color so beautiful, softer than sin

Dreaming, I'm still dreaming
Dreaming my life 'til the day that I die
Dreaming my life 'til the day that I die

Seeing, always seeing
Color so beautiful, softer than sin
Color so beautiful, softer than sin
