

Crystal Crescent

Primal Scream

I'm endeavour to struggle at the puzzle that surrounds me
I remember another day and realise what can be

I look at myself again how I
Can't stop the shit stupidity
Question my far supremacy
It's noone I can do

I guess I'm
Falling, I'm falling, I'm following my heart
Oh yes I'm
Falling, I'm falling, I'm following
My heart to what I've found
I guess there's souls lie in paradise

I'm enchanted within your love but will it be relinquished?
I'm entranced, devoted, and inflowed in the tender of your kiss

I look at my world again how I
Now realise eternally
Not only love can set you free
Here I go again

I guess I'm
Falling, I'm falling, I'm following my heart
Oh yes I'm
Falling, I'm falling, I'm following
My heart to what I've found
I guess there's souls lie in paradise
