

Elimination Blues

Primal Scream

Rollin' and a tumblin' baby
Feelin' mighty sad
Crawlin' and a stumblin' baby
Feeling mighty bad

...Get along

Screamin' and a hollerin' baby
Hate to be alone
Oooh the sky is cryin' baby
Rainin' tears of stone

...Get along

Long black hair eyes of brown
My baby's gone
She's leavin' town
[x4]

Screamin' and a hollerin' baby
She's broken up my home
Cryin' and a stumblin baby
Hate to be alone

Screamin' and a hollerin' baby
Hate to be alone
Oohh the sky is cryin' baby
She's broken up my home

...Get along

Long black hair eyes of brown
My baby's gone
She's leavin' town
[x4]

...Get along

...Get along
