

## It Happens

## Primal Scream

Reverberation travelling in time  
Within an instance, finally shines  
I see many fires burning  
Always yearning for a new existence  
With reason that will stand and hold forever

I don't want to believe what I see (What I see)  
But it happens and it's up to me  
To accept or to change what I will  
Sha-la-la-la, la-la-la  
Sha-la-la-la, la-la-la

Many ships surrender to the storm  
Betrays a weakness in us all  
I pass through a village that is happy  
In a realm of sleep  
But the sunlight feels so warm against my skin

I don't want to believe what I see (What I see)  
But it happens and it's up to me  
To accept or to change what I will  
Sha-la-la-la, la-la-la  
Sha-la-la-la, la-la-la

Realise illusion is an enemy  
Shut my eyes, pretend that I can see  
Realise you've never been a friend to me
