Hello, this is Gorgeous
Anybody out there read me?
10-4 I read you
My handle's gorgeous, pretty vacant, eh
Subvert normality, fuck you
Punk is not sexual, it's just aggression
10-4 old buddies destroy, kill all hippies
Anarchy, disco sucks
Subvert normality
You got the money, I got the soul
You got the money, I got the soul
You got the money, I got the soul
Can't be bought, can't be owned
You got the money, I got the soul
You got the money, I got the soul
Can't be bought, can't be owned
You got the money, I got the soul
You got the money
You got the money
You got the money
I got the soul
Signing off, this is Gorgeous
