

## Space Blues #2

Primal Scream

On the judgement day  
When your name is called  
And the oceans rise  
And the mountains fall  
Will the blood of christ, sanctify your soul  
Will you follow satan  
And the hell below

On the judgement day  
When your name is called  
And the oceans rise  
And the mountains fall  
Will the blood of christ, sanctify your soul
