

## Repairing the Sky and Similar Feats of Strength

Primitive Radio Gods

Confiscated light, I start to wake up  
Repairing the skies and similar feats of strength  
You'll been surprised, the clouds will break up  
And they'll get high and the trees might live a length

Wouldn't you see the moment coming from a mile away?

Wouldn't you see the moment coming from a mile away?  
Laughing with us at something that's so far away  
Wouldn't you see the moment coming from a mile away?
