Primus

Lloyd Boyd was conspiranoid  
Barking chemtrails in the skies  
Claiming Bill Gates had put microchips  
In all the chicken pot pies

Launching himself in his lawn chair  
Proving the earth was flat  
Microwaving his burritos  
Now he only wears his tinfoil hat

Conspiranoia  
Conspiranoia  
Conspiranoia

Marion Barrion Contrarian  
Felt Dr Tony was selling her lies  
So to keep from getting the big bad flu  
She sprinkled cat urine into her eyes

With garlic cloves in her nostrils  
And dryer sheets taped to her head  
Marion Barrion Contrarian  
Is now stinking up a hospital bed

Conspiranoia  
Conspiranoia  
Conspiranoia

Can lead a horse to water  
But you cannot make him drink  
You can guide a fool towards logic  
But you'll rarely make him think

Be wary of conspiranoia  
As purveyors abound  
For an open mind too open  
Spills its contents on the ground

Conspiranoia

Conspiranoia

Let me tell you something about Betty White  
That the lamestream media won't report  
She died of a COVID booster shot  
She was also Barbara Bush's secret sister

Cow dung will protect everyone  
It's scientifically proven that cow dung is anti-radiation  
This is a chip that can be used in mobile phones to reduce radiation  
It'll safeguard people against diseases

Which leads us to chemtrails  
Scientists and governments are seeding the atmosphere  
Implementing biological warfare and population control  
And geoengineering a race of superhuman Jews

The Anunnaki were a race of extraterrestrial beings  
Came to earth around five hundred thousand years ago  
In order to mine gold  
They are a race of blood-drinking, shape-shifting alien reptiles  
And have infiltrated the Bush family, Margaret Thatcher, Bob Hope, and the British royals, among others

JFK Jr. is alive and well  
He did not die in a plane crash off the coast Martha's Vineyard in '99  
He's gonna reappear in Dealey Plaza fifty-eight years after his father's assassination  
To announce that he'll be Donald Trump's running mate in 2024

The earth is not a sphere  
And evidence has been faked or suppressed  
To hide the fact that it is instead a disc  
Or a single infinite plane  
GPS devices are rigged to make aircraft pilots wrongly believe  
That they are flying around the globe

The campfire in California  
Destroyed over a hundred and fifty-three thousand acres  
Eighteen thousand structures, is that really possible?  
If it was caused by a downed power line  
Why did numerous witnesses [?]  
Do you really believe it's coincidence that the fires also burned  
The areas of Jerry Brown's projected seventy-seven million-dollar [?]  
And then the Rothchilds [unintelligible]  
'Cause I don't  
Not when the evidence is right in front of our faces  
Jewish space lasers
