

I Don't Wanna Love You

Prince Fox

La la la la love
I dont wanna
La la la la love
I don't wanna
La la la la love
I don't wanna love you, I don't wanna love you

I think I want this, but I don't have the time
My body wants you but my heart isn't blind
I'm catching feeling that'll hopefully die
But they're burning hotter than I usually like
Don't wanna let you in, I shouldn't let you in
But I might let you in
Don't wanna let you in, I shouldn't let you in
But I might

Cause when we get together, I'm feelin' like a dream
But when I'm all alone, I see you're bad for me
Don't get any closer, I have no self control, no
I don't wanna love you, I don't wanna love you
I don't wanna love you, I don't wanna love you
I don't wanna love you, I don't wanna love you

I don't wanna la la la la love
I don't wanna la la la la love
I don't wanna la la la la love
I don't wanna love you, I don't wanna love you
La la la la love
I don't wanna la la la la love
I don't wanna la la la la love
I don't wanna la la la la love
I don't wanna love you, I don't wanna love you

Someone should make a vaccination for this
Something to counter my infatuation
My thoughts get tangled when you're kissin' my skin
I throw my hands up, I'm about to give in

Cause when we get together, I'm feelin' like a dream
But when I'm all alone, I see you're bad for me
Don't get any closer, I have no self control, no
I don't wanna love you, I don't wanna love you

I don't wanna la la la la love
I don't wanna la la la la love
I don't wanna la la la la love
I don't wanna love you, I don't wanna love you

Don't wanna let you in, I shouldn't let you in
But I might let you in
Don't wanna let you in, I shouldn't let you in
But I might
I might
La la la la love
I might
La la la la love
I might

La la la la love
I don't wanna love you, I don't wanna love you

When we get together, I'm feeling like a dream
But when I'm all alone, I see you're bad for me
Don't get any closer, I have no self control, no
I don't wanna love you, I don't wanna love you
I don't wanna love you, I don't wanna love you
I don't wanna love you, I don't wanna love you
And I don't wanna love you

When we get together, I'm feeling like a dream
But when I'm all alone, I see you're bad for me
Don't get any closer, I have no self control, no
I don't wanna love you, I don't wanna love you

I don't wanna... love
I don't wanna la la la la love
I don't wanna la la la la love
I don't wanna love you, I don't wanna love you
La la la la love
I don't wanna la la la la love
I don't wanna la la la la love
I don't wanna la la la la love
I don't wanna love you, I don't wanna love you
La la la la love
I don't wanna la la la la love
I don't wanna la la la la love
I don't wanna la la la la love
I don't wanna love you, I don't wanna love you
No I don't wanna love you
