# Let Me Down Easy

**Prince Fox**

If you're gonna let me down, let me down
Then let me down easy, easy
If you're gonna let me down, let me down
Then let me down easy, easy

You'd rather hurt me than have me forget you
But after all of the things that we've been through
If you're gonna let me down, let me down
Then let me down easy, easy

Let me down easy
Easy, easy
Let me down easy
Easy, easy

Let me down, let me down, let me down
Easy, easy
Let me down, let me down, let me down
Easy, easy

Promised you wouldn't, that it'd be different
Said I could trust you, and keep on giving
Said that you got me, and hard work pays
Got what you needed, then needed space

It ain't clever to promise and promise
All you needed was just to be honest
Cuz I gave you the time for your healing
But I know what I know, I could feel it

If you're gonna let me down, let me down
Then let me down easy, easy
If you're gonna let me down, let me down
Then let me down easy, easy

You'd rather hurt me than have me forget you
But after all of the things that we've been through
If you're gonna let me down, let me down
Then let me down easy, easy
