

Runnin

Prince Fox

You know I can't keep runnin'
You know I can't keep runnin'
You know I can't keep runnin' runnin' runnin'
You know I can't keep runnin'

You know I can't keep runnin' runnin' runnin'
Runnin' from you
You know I can't keep runnin' runnin' runnin'
Runnin' from you

I'm runnin' from you

You know I can't keep runnin' runnin' runnin'
Runnin' from you
You know I can't keep runnin' runnin' runnin'
Runnin' from you

I'm runnin' from you

You know I can't keep runnin' runnin' runnin'
Runnin' from you
You know I can't keep runnin' runnin' runnin'
Runnin' from you

Cuz you break me to pieces
Thinkin' of all that I run from
I'm anxious, and I'm runnin' runnin' runnin'
I'm runnin' from you
I'm runnin' from you

I'm runnin' from you
