

Soon As I Can

Prince Fox

Soon as I could give
Soon as I could give

First I gotta put myself first
For the first time
Tryna make it work
On my timeline
Don't know how it looks
From the outside
This one's for the books
But it's alright

Gucci's good until it all hurts
Don't get better til it gets worse
Guess I dove into this headfirst
Low curb
High alert

Soon as I could give
Imma give it to you
Soon as I could give
Imma give it
Soon as I could give
Imma give it to you
Soon as I could give
Soon as I could give
It'll take everything I have
But I'm ready for that
Take a little time
I'm not taking it back
Soon as I could give
Imma give it to you
Soon as I could give
Soon as I could give

Second home get a couple seconds to breathe right
Keep on trusting my vision I'm seeing every night
You won't find me at parties up on the west side
I'm not following smoke where there's no fire

Gucci's good until it all hurts
Don't get better til it gets worse
I guess I dove into this headfirst
Low curb
High alert

Soon as I could give
Imma give it to you
Soon as I could give
Imma give it
Soon as I could give
Imma give it to you
Soon as I could give
Soon as I could give
It'll take everything I have
But I'm ready for that
Take a little time

I'm not taking it back
Soon as I could give
Imma give it to you
Soon as I could give
Soon as I could give

Know I gotta take my time
Know I gotta, know I gotta
Know I gotta take my time

Soon as I could give
Imma give it to you
Soon as I could give
Imma give it
Soon as I could give
Imma give it to you
Soon as I could give
Soon as I could give
It'll take everything I have
But I'm ready for that
Take a little time
I'm not taking it back
Soon as I could give
Imma give it to you
Soon as I could give
Soon as I could give
