

# Space

Prince Fox

You can have your space

I think I'm too close for comfort, where did I go wrong?  
Nothing ever seems to come out right  
You tell me that you need me as you're walking out the door  
I wish you would've stayed just one more night

Tell me, do you even ever think about me anymore?  
Were our drives to nowhere just a waste of time?  
I called your phone, it says to leave a message at the tone  
"Unavailable," yeah, I know that's a lie

You can have your spa-a-a-a-ace  
And I'll just go awa-a-a-a-ay  
What am I supposed to say, say, say, say  
When you come back to me, me, me, me?  
Yeah, you can have your space

I didn't think I wanted more than you inside my bed  
I guess we never should've come this far  
And now I wonder who's the guy that you just call a friend  
Even when I'm still up in your head

Tell me, do you even ever think about me anymore?  
Were our drives to nowhere just a waste of time?  
I called your phone, it says to leave a message at the tone  
"Unavailable," yeah, I know that's a lie

You can have your spa-a-a-a-ace  
And I'll just go awa-a-a-a-ay  
What am I supposed to say, say, say, say  
When you come back to me, me, me, me?  
Yeah, you can have your space

Don't tell me that you want me  
Don't tell me that you need me  
Don't tell me that you miss me  
'Cause you're asking me for space  
Don't tell me that you want me  
Don't tell me that you need me  
Don't tell me that you miss me  
'Cause you're asking me for space

Yeah you can have your spa-a-a-a-ace  
And I'll just go awa-a-a-a-ay  
What am I supposed to say, say, say, say  
When you come back to me, me, me, me?  
Yeah, you can have your space
