

Dancing in the Moonlight

Prince Royce

Uh, contigo lo hago sin pensar
Mi cuerpo sobre tu lunar
Después de las 12 ella quiere bailar
Everybody's dancing in the moonlight

Todo fino, todo light
Una bachata muy sensual
La luna sube, tu vestido cae
Everybody's dancing in the moonlight

Dancing in the moonlight
Everybody's feeling warm and bright
Una bachata pa' bailar
Everybody's dancing in the moonlight

Todo light
Una bachata muy sensual
La luna sube, tu vestido cae
Everybody's dancing in the moonlight

Dancing in the moonlight
Everybody's feeling warm and bright
Una bachata pa' bailar
Everybody's dancing in the moonlight

Royce

Dancing in the moonlight
Everybody's feeling warm and bright
Una bachata pa' bailar
Everybody's dancing in the moonlight
Dancing, yeah

Dancing in the moonlight
Everybody's feeling warm and bright
Una bachata pa' bailar
Everybody's dancing in the moonlight
Dancing

Dancing in the moonlight
Everybody's feeling warm and bright
Dancing in the moonlight
Una bachata pa' bailar
Everybody's dancing in the moonlight

Dancing in the moonlight
Everybody's feeling warm and bright
Una bachata pa' bailar
Everybody's dancing in the moonlight
