

319 (X-cerpt)

Prince

Take off your clothes

319

Bet you got a body, by God

Come on, let me see

You ought a

My camera's going to get you when you get it good and wet

You ought a let me come and pet you so it lasts, baby

319

Can I see it, baby?

(Mmm)

Ow!

I got a good shot, put your leg on the chair (Like that?)

You know you're too hot when you play with your hair (Ha ha ha)

I like it

I just want to holler, scream, and shout

When you let your fingers do the walking in and out and all about

319

Ah hoochie, don't do that

You... you... you make me want to dance!

Now watch this

Lock the door and kill the phone

My camera, you and me alone

Will make a picture all will see and go

"Ow, 319"
