

# Deliverance

Prince

Oooh, oooh  
Oooh, oooh  
Ahhh, ahhh  
Ahhh, ahhh

This is not religion, but common sense  
It's time for you to get down, get down  
Get off the fence  
No son shall die, no mother shall cry  
All in favor, say "aye" (Aye)  
Because time's so hard to deal with  
Deliverance is at hand, at hand, at hand

Oooh, oooh  
Oooh (deliverance, hey, hey) oooh  
Ahhh, ahhh  
Ahhh, ahhh  
(Understand)

Who are they (They)  
That would turn a deaf ear to the peaceable ones who bring good news?  
(Good news?)  
With time there will be no wars (Wars)  
And the way in which to achieve it  
Who got the blues? (Blues)  
You can ease the pain of a few (pain) until God intervenes  
Ain't nothin', nothin' man can do (can do)  
'Cept 'cause each other injury  
Somebody say (somebody say)  
Katrina levies, oh, oh

Oooh, oooh (Ayy, [?])  
Oooh, oooh  
(You got to understand)  
Ahhh, ahhh  
That you'll never [?]  
Ahhh, ahhh

Yeah, you...  
Woo! Come on

Because time's so hard to deal with, now understand  
Your deliverance is at hand  
Because time's so hard to deal with, now understand  
Your deliverance is at hand  
Oh, oh Lord
