

## Electric Intercourse

Prince

I feel some kind of love for you  
And I don't even know your name  
This is the kind of love that takes two  
I want you and I'm not ashamed

'Cause baby, you shock my wild  
With a sexual electricity extraordinaire  
Come and take advantage, undress me  
I don't even know you, I don't even care

I feel some kind of sexual current  
Tell me do you feel it too?  
Our bodies want to be together  
Girl, I wanna be with you

Electric is my body, baby  
I will shock you with my lips  
Darling, don't you know  
Your Technicolor climax is at my fingertips

Electric intercourse, electric intercourse  
Don't you wanna?  
Electric intercourse, electric intercourse  
Don't you wanna make love, love, love?

Electric is my body, baby  
I will shock you with my lips  
Darling, don't you know  
Your Technicolor climax is at my fingertips

Electric intercourse  
Don't you wanna?  
Electric intercourse, electric intercourse  
Don't you wanna make love?  
Don't you wanna make?

Electric intercourse, electric intercourse  
Don't you wanna?  
Electric intercourse, electric intercourse  
Don't you want to make love?  
Yeah, yeah...
